JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Public Health Reports.

(Formerly "Abstract of Sanitary Reports.")

Treasury Department, United States Marine-Hospital Service. Published in accordance with act of Congress approved February 15, 1893.

VOL. XI.

WASHINGTON, D. C., MAY 1, 1896.

No. 18.

UNITED STATES.

[Reports to the Supervising Surgeon-General United States Marine-Hospital Service.]

Smallpox in Pensacola, Fla.

PENSACOLA, FLA., *April 22, 1896.*

SIR: I have the honor to inform you that another case of smallpox was reported to the board of health to-day by Dr. Warren E. Anderson. The report states that the patient has not been out of the city in three years. The health authorities are unable to find the source of the infection.

Respectfully, yours,

J. WHITING HARGIS,
Acting Assistant Surgeon, U. S. M. H. S.

PENSACOLA, FLA., *April 24, 1896.*

SIR: I have the honor to inform you that 2 more cases of smallpox and 1 suspect have been reported to the board of health by Dr. R. W. Hargis. The cases were immediately sent to the pesthouse. Up to date there have been 6 cases of smallpox and 1 suspect, with 2 deaths reported.

Respectfully, yours,

J. WHITING HARGIS,
Acting Assistant Surgeon, U. S. M. H. S.

Case of smallpox in Galveston, Tex.

GALVESTON, TEX., *April 22, 1896.*

SIR: I have the honor to state that the city health officer reports a second case of smallpox occurring in the family of the negro reported in my letter of April 10.

Very respectfully,

G. M. MAGRUDER,
Passed Assistant Surgeon, U. S. M. H. S.
